

# NBI CERTIFICATION

Step-by-step certification programs in the NBI Assessments.

## GET CERTIFIED TODAY

Are you an executive coach, team coach, trainer, facilitator, consultant, learning and development or HR professional?

Success for individual contributors, leaders, and teams in today's dynamic organizations is largely determined by the ability to think and act in creative and agile ways. The NBI® Assessments help individuals understand and leverage their own thinking preferences. The neuroscience and psychology-based assessments can help you in your role to increase the success of internal or external clients in a range of ways including: communication, relationships, leadership, teaming, decision-making, problem-solving, and more!

The NBI Assessments are only administered by certified practitioners. We offer a comprehensive set of step-by-step NBI certification programs. Get certified today and begin unleashing your clients' full potential.

## KEY CERTIFICATION BENEFITS
